

MRS. COOPER RESIGNS

After 24 years service with S.T.C., Mrs. Anna Jones Cooper resigned September 1 to accept the position of librarian, at the new Stephen Decatur High School, Berlin.

After receiving her diploma from Salisbury Normal School in 1929, she became an assistant librarian at S.N.S. Feb. 1, 1930. Not only did Mrs. Cooper work with the college students in the main library, but she was one of the prime movers in establishing the campus elementary school library. Dr. Edna Marshall and Mrs. Cooper began this work in 1930. Mrs. Cooper has often remarked how much she enjoyed working with the students of the Campus School. She devoted much of her time gladly in assisting the student teachers in developing the exact information for their units and daily plans.

During her time at S.T.C. Mrs. Cooper was advisor to the Class of January, 1944, president of the Alumni Association 1939-1940, and secretary and treasurer for many years. She

managed the College book store for more than 15 years. She was one of the people responsible for the Service Honor Roll. She will always be remembered by many of our young men, who served in World War II, for the news bulletins and letters sent to them while they were in service.

Mrs. Cooper has had the endless responsibility of trying to keep up the addresses and change of names of all alumni, wherever they might be. She spent this past summer compiling figures and data on the alumni.

In addition to these tasks she attended Columbia University, New York, and University of Maryland, College Park, where she made a special study of library technique and received her B.S. degree from S.T.C. in 1953.

The loss of her services by both College and Alumni will be felt more and more as time goes on. This loss is Stephen Decatur's gain, as her abilities are more fully utilized.
